# Here's How To Do It

---

---

We grant a certain number of people in each city and State the right to act as Sales Agent for the teaching of "PSYCHIANA" and all publications released by us. We pay a very liberal commission on all sales made. If you are in a position to open up an office then put on the window or on a sign "Psychiana Sales Agency," and add your name as sales agent. If you can not rent an office, use your home. You are at liberty to employ additional sales agents under you if you care to. You will, of course, make your own arrangements with them. There is no questioning the fact that the world needs this teaching. We have ably demonstrated that. Nor is there any questioning the fact that "Psychiana" actually reveals the power of the Realm of God in the human life. All that is necessary then, is for intelligent people to intelligently interest others, and sales can be made. How many, depends on you. If you are smart you will take advantage of the phenomenal growth of this teaching, realizing that large oaks from small acorns grow. We consider opportunities for our Sales Agents absolutely unlimited and therefore we are limiting the number in each City and State.

When Dr. Robinson started this movement he had \$16 in the bank. Now it is a very large, substantial and successful religious movement and you can share in its success if you will. You can not fail with the Power of God with you.
