Discoverer of the Power of God

The Power Of God Can Give To You NEW LIFE

YES - - It Can Give You More Than That

If your application for Membership is accepted by us, you will discover, as your Lessons come to you, that the invisible, pulsing, throbbing Power of The Spirit of God can bring you not only new life, but new vision, new wisdom, new Power, new ambitions, new peace. It will cast out fear. The first thing you will begin to do when the actual and literal Power of God begins to manifest IN YOU, will be to bring this amazing Power into play against world-conditions. You won't be able to rest at night until you have DIRECTED THIS SCINTILLATING POWER AGAINST THE MADMEN WHO ARE BRINGING WHOLESAL DESTRUCTION TO THE EARTH.

For this Power we teach—The Power of The Spirit of God, not only can bring into your life a superabundance of all good things while you live on the earth, IT CAN RULE OUT AND OVERTHROW BY ITS OWN SPIRITUAL MIGHT, ALL MEN WHO WOULD ATTEMPT TO BELIEVE THEY THEMSELVES ARE GOD. IF THE LEADERS OF THE ALLIED NATIONS BUT KNEW THE AMAZING POWER OF GOD, AS WE HAVE DISCOVERED THIS STAGGERING POWER, THEY COULD WIN THIS WAR WITHOUT THE FIRING OF ANOTHER SHOT.

Unfortunately—they do not know of this Power, Many of them are good church-members, and this is good. BUT THE POWER OF GOD HAS NEVER BEEN REVEALED TO HUMANITY THRU ANY CHURCH. It never will be. It never can be. Their philosophy of God, with their traditions, are a long way from the dazzling TRUTHS of God, as we know those TRUTHS to exist, and as we teach them. So never confuse The "PSYCHIANA" Movement with any church. The one "hopes to find God after it dies," while the other, The "PSYCHIANA" Movement, HAS DISCOVERED THE POWER OF ALMIGHTY GOD RIGHT HERE AND NOW.
