

Welcome Back!

The MILL is now open for patrons after a quiet summer and we are looking forward to seeing all the new projects you create! We have some fun changes and additions to our makerspace!

- New manager hired
- Sewing machine is setup and ready for use
- Two vinyl cutters
- New 1.25-inch button maker
- Bi-weekly featured projects
- So much more!

What's New?

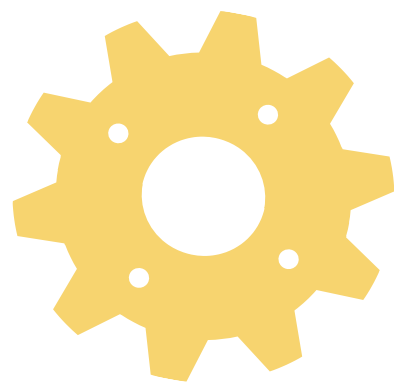

New Mascot Naming

This wonderful "sMILLadon" was created by one of our staff members, Sam Rardin! We will vote on a name for this handsome creature, so please stop in and drop your potential name for it into the suggestion box.

Suggestions will be collected until October 22. We will publish the top choices in our November newsletter for you to vote on the winning name!

New Manager

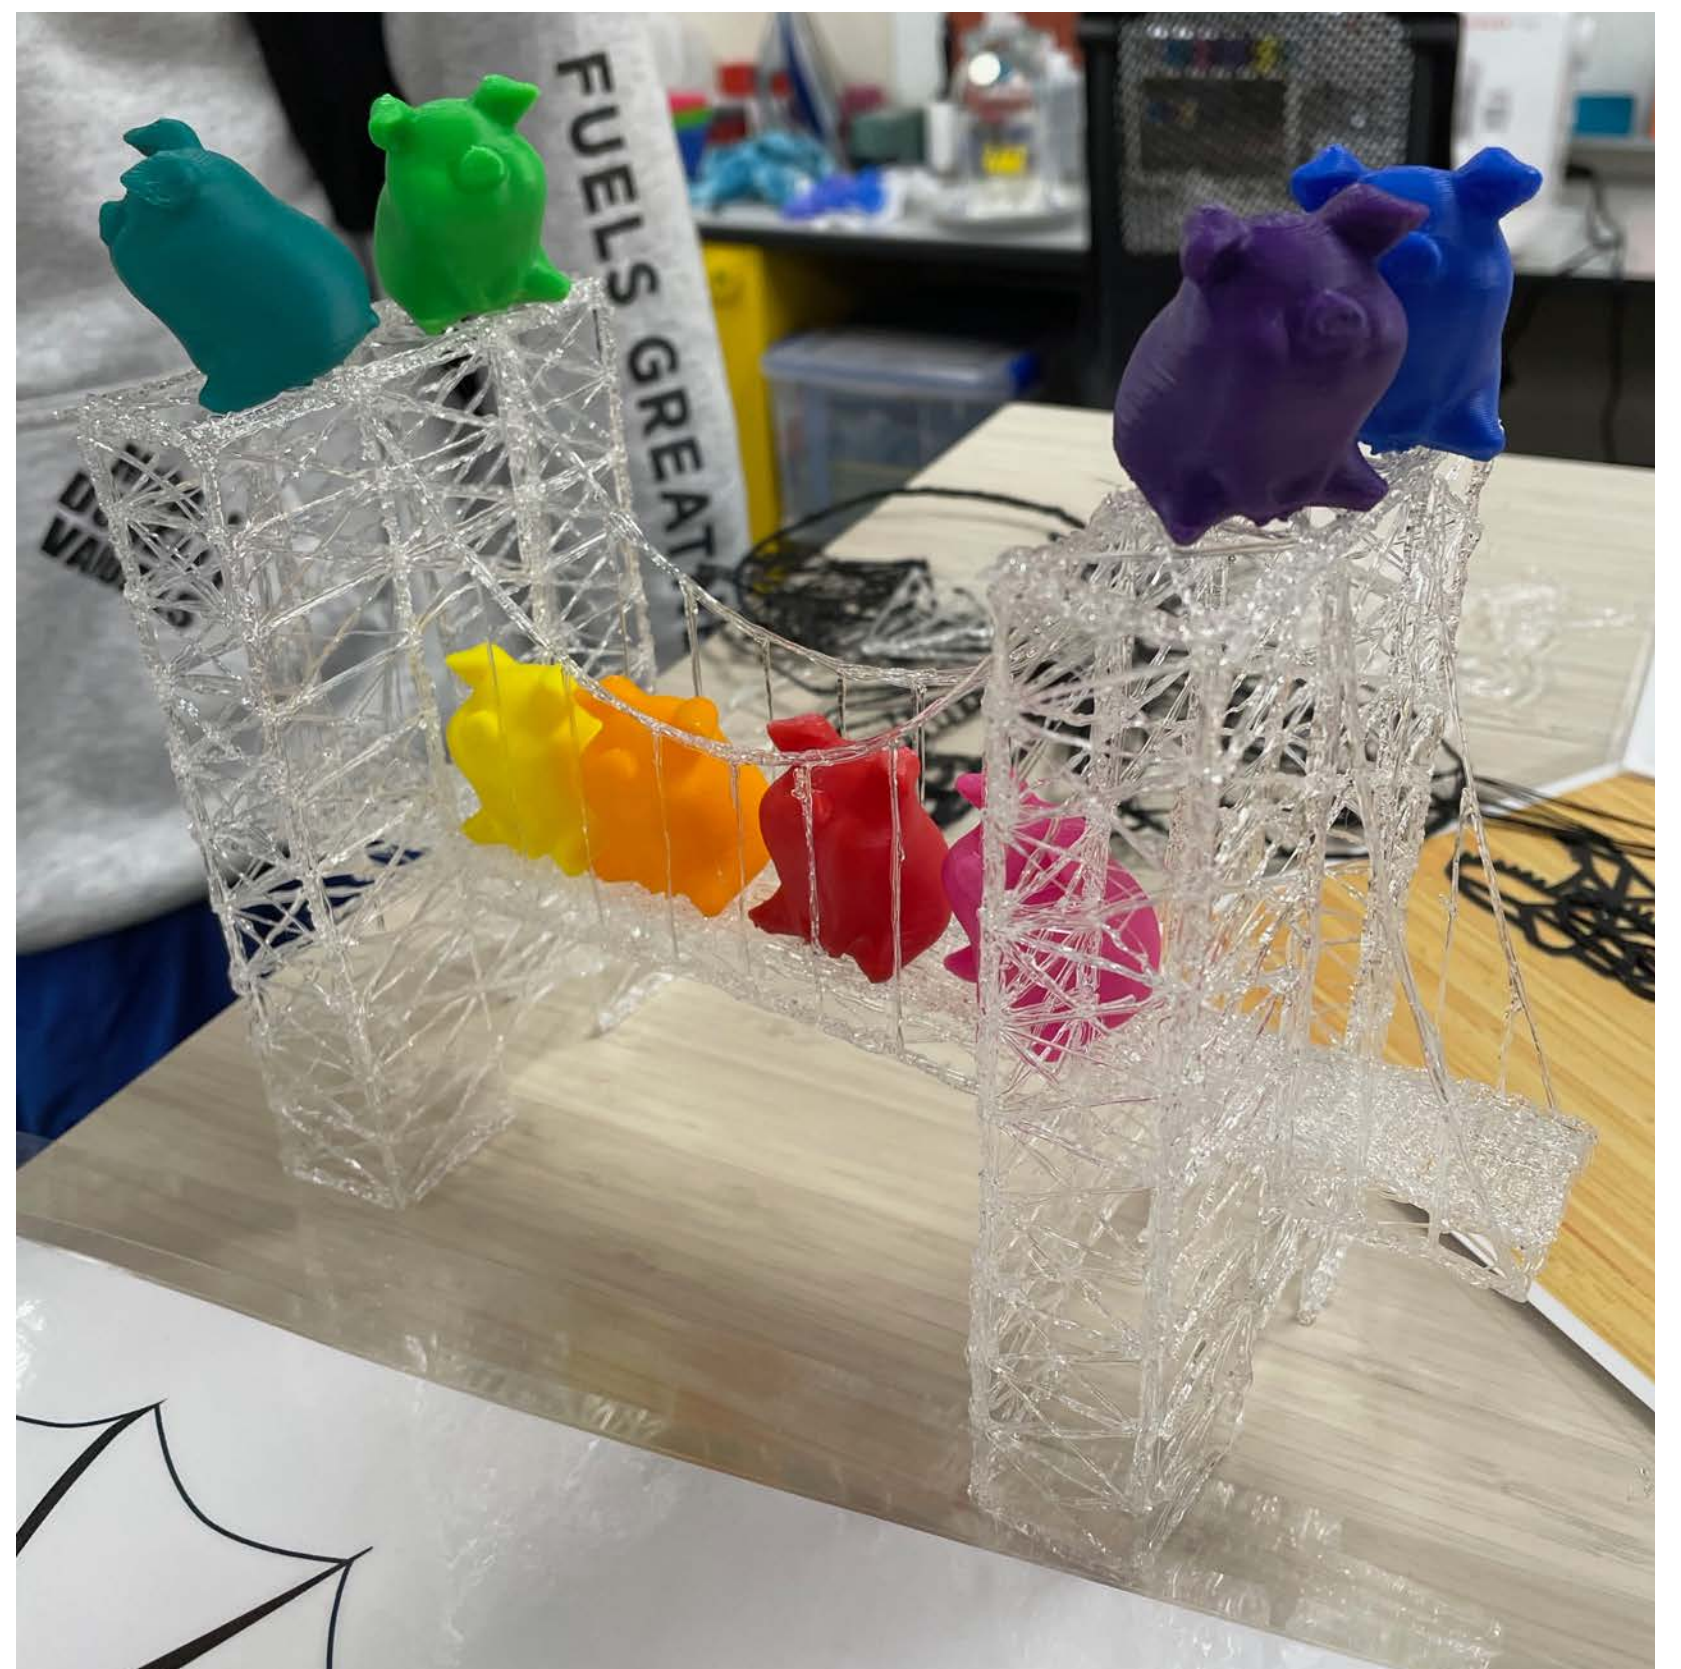

Welcome Jessica Fleener, our new MILL manager! Jessica brings a new set of skills that enhances our capabilities in supporting patrons' creative projects! Come introduce yourself to Jessica and see the great changes to the makerspace. She is looking forward to meeting you and ready to encourage creativity!

Featured Projects

This week: 3D Pens

Try out our 3D pens! Make two-dimensional art or three-dimensional figures and structures. Follow us on Instagram (@uidahomill) for more images of student projects!
